## **OXYVIBES™**

*Structured Water Supplementation*

4- 32 oz Bottles

Every living cell on this planet depends on water, oxygen, and electrolytes for proper function and structure. The addition of more of these powerful elements can help give more mental clarity, as well as, enhance your physical stamina and well being.

**OXYVIBES** is a proprietary ionization, oxygen binding, and electrolytic-charged structured water made from pure Rocky Mountain water.

**OXYVIBES**...when breathing isn't enough.

For optimal results, take 1-3 ounces with a minimum of 5 ounces of pure water 2-3 times a day.

*NUTRIVALU's products are designed as a synergistic system that can provide up to 100% of recommended daily nutritional values. NUTRIVALU's products are manufactured from natural materials, which are tested and certified to be clean, safe and effective.*

*NUTRIVALU INDUSTRIES, INC.'s (NVI) products are not intended to diagnose, treat, or prevent any disease, nor have they been scientifically tested. The Federal Drug Administration (FDA) has not evaluated or approved any statements made regarding NVI's products.*
